

# DELIVERING SMART VEHICLE SOLUTIONS TO THE TRADES

## ABOUT US

Wesbar Vanquip is a family owned and operated vehicle modification company, servicing the automotive industry for over 30 years. We can do comprehensive fit outs or simple modifications on all types of passenger and commercial vehicles, from a single commercial van to companies with extensive fleets.

Year after year we have consistently achieved results for our clients, which is why they keep coming back to the vehicle fit out experts.

Wesbar Vanquip is a well established client focused vehicle fit-out company. Our excellence in project management is why we are the first choice for many large fleet companies, government organisations, local councils, rental vehicle companies and commercial trades.

The experienced team at Wesbar Vanquip are highly skilled and motivated specialists that assist our customers with expert consultancy, innovative ideas and quality solutions. Our attention to detail and ability to solve vehicle modification issues is another reason our clients keep returning to us.

Wesbar Vanquip offers a huge range of products and services;
