

OUR FOCUS IS SIMPLE

- We look to optimise space
- We offer specialised modifications for most vehicles
- We are obsessive with attention to detail
- We strive for exceptional customer service

KEY DRIVERS

- We are dedicated to exceeding customer expectations
- We endeavour to offer the highest level of service
- We ensure 100% attention to detail and ability to solve problems
- We are committed to delivering on quality

OUR APPROACH IS COLLABORATIVE

- We undertake a broad range of projects for government organisations, councils, charity organisations, community groups and disability healthcare providers, offering an extensive range of solutions to promote driver independence, access and mobility.

OUR TRACK RECORD IS UNRIVALLED

- With 40 years in the industry, our expertise and personalised, service excellence in after-sales care is unrivalled. Our unique knowledge for customer specific requirements, consultative design solutions and long standing working relationships offer cost effective solutions to every day challenges. This remains core to our business activity, bringing a higher level of integrity, quality and trust to maintain our competitive edge.

Creating customer value motivates our search for new ways to keep ahead of the rest. With new technology, design and product quality, we can offer unmatched customer support and service excellence.

VEHICLE MODIFICATIONS FOR MOBILITY

It's how you get there

Vanquip Mobilities combine a top quality product range, industry expertise and unmatched customer service with practical, cost effective, customer centric solutions. Our ability to empower people through vehicle modifications motivates our drive to consistently deliver, maximising space and client benefit.

CAPABILITIES

Efficiency and Sustainability

Specialising in conversions and mobility products, we believe there is no limit to what can be created. Our knowledge combined with our expertise in product solutions, fabrication, vehicle modifications and fit outs, extends to any type of custom vehicle challenge.

We do not shy away from a challenge. Our understanding of different vehicles and their potential to optimise on space is exactly what our clients are looking for.

Who's Driving?	Vehicle Class	Wheelchair lifts and hoists	Above vehicle wheelchair hoists	Vehicle Access	Driving Assist and Hand Controls	Seating	Low floor conversion incl. restraints
Individual Family Disabled Driver Adult in wheelchair Child in wheelchair	Small		•		•	•	
	Medium	•	•	•	•	•	•

	Mobility	•	•	•	•	•	•

We value each of our customers and our ability to empower people through vehicle modifications drives our commitment to go beyond convention to deliver on time, on budget and on quality with all the certifications for your vehicle modification. Our focus on safety, cost and efficiency deliver quality and service excellence to our customers.

As an independent company, Vanquip Mobilities offer two mobility vehicles for hire, a VW Caddy and Toyota Commuter Bus, on a day rate with pre-arranged delivery available (negotiable for short, medium and long term hire).

LEADERS IN INNOVATION

Visionaries for Accessibility

Vanquip Mobilities constantly seek new and innovative solutions. This has enabled our business to consistently achieve higher levels of customer satisfaction, loyalty and stability. Our focus is on customer solutions, quality and customer service to nurture these relationships year after year, keeping true to our vision.

TAILORED SOLUTIONS

Expanding Possibilities

Vanquip Mobilities offer practical, cost-effective solutions, temporary and permanent to meet client objectives for efficiency and sustainability while maximising client benefit.

Working with client groups such as Independent Living Centre, Nulsen, MS Society and notable mobility and aged care organisations, Vanquip Mobilities will consult with clients to design, convert, upgrade and fit-out a range of vehicles with lifts, hoists, hand controls and low floor conversions.

Each vehicle is modified to take account of the purpose, frequency and utilisation to promote individuality, independence and added value through maximising space. We strive for client comfort, confidence and a positive journey experience deploying products that are fully compliant with international best practice, safety standards and environmental factors in respect of client use.
