

DELIVERING SMART VEHICLE SOLUTIONS

It's how you get there

ABOUT US

Wesbar Vanquip is a family owned and operated vehicle modification company, servicing the automotive industry for over 30 years. We can do comprehensive fit outs or simple modifications on all types of passenger and commercial vehicles, from a single commercial van to companies with extensive fleets.

Our vision is to be Western Australia’s number one provider of specialised, innovative and market leading vehicle modifications.

Year after year we have consistently achieved results for our clients, which is why they keep coming back to the vehicle fit out experts.

Wesbar Vanquip is a well established client focused vehicle fit-out company. Our excellence in project management is why we are the first choice for many large fleet companies, government organisations, local councils, rental vehicle companies and commercial trades.

The experienced team at Wesbar Vanquip are highly skilled and motivated specialists that assist our customers with expert consultancy, innovative ideas and quality solutions. Our attention to detail and ability to solve vehicle modification issues is another reason our clients keep returning to us.

Wesbar Vanquip offers a huge range of products and services;

“
We specialise in expanding the capability of vehicles.”

CUSTOM VEHICLE FIT OUTS

With our experience in the industry combined with our team of experts in fabrication, vehicle modification and fit outs, we will take on any custom vehicle challenge.

Sometimes there are vehicles that require custom work for a specific need. At Wesbar Vanquip we hold an opinion that with vehicle modifications there is no limit to what can be created. This is why we are recognised by government organisations, councils, mining companies and other large companies as the leading vehicle specialists.

- Animal control
- Pilot vehicles
- Council vehicles
- Police riot vehicles
- Medical vehicles
- Food and coffee vans

- Cargo barriers
- Spray on protective lining
- 2 way radios
- Canvas seat covers
- Spotlights
- Reversing sensors
- Cameras and alarms
- Air conditioning and air vents
- Fire extinguishers
- First aid kits
- Safety triangles
- Roll bars and lights
- Battery isolators and power invertors
- Lights
- Reflective tape

“
A well organised work vehicle is proof that the company is professional and efficient.

PASSENGER VEHICLE INSTALLATIONS

We believe the most precious cargo that can ever be transported is human life. That's why we make sure that safety comes first with all our seating. After the seats are installed, Wesbar Vanquip will carry out the necessary steps to ensure the vehicle is legally certified.

If the trip is worth taking why not make it comfortable. Our seating comes in a range of options, from commercial to luxury.

- Extra van seating
- Canvas seat covers
- Limousines
- Restraints and anchor points
- School buses
- Fitted windows
- Foldable seats

“After more than 30 years, our reputation for quality seating still stands.”

TRANSPORT MODIFICATIONS

When transporting goods, it is the responsibility of the company to make sure things are kept secure in transit. Wesbar Vanquip can ease that responsibility by installing restraint and tie down equipment as well as modifying vehicles so the delivery is smooth and goods are safe.

- Automatic cargo hoists and ramps
- Carpet interior
- Plywood floor and sides
- Tracking
- Mesh sides
- Van shelving
- Refrigeration
- Fold away shelving
- Spray lining
- Adjustable restraint bars

“
Whatever your load,
we can equip your
vehicle to care for it in
the best possible way.”
